

You can't go in my room unless you need to get the family computer. Or you have my permission or you need to talk to me. You can't play with any of my toys or gadgets unless you have my permission. You can't use my Xbox account without my permission or with my permission. You have to try to be nice or less annoying to me. You're not allowed to come up to me and bounce up and down and talk in an annoying voice. You can't use all of my ideas for cards and pocket money. On the trampoline you can't hurt me or bully me but you can do play fighting but no kicking or punching. No bullying me or punching or kicking me. You need to tell me if I'm giving you too much money for something. If I'm going to do something for Mum and Dad you either do it for free or don't do it. You can't throw stuff at me or kick stuff without my permission or if I'm hurt. Don't call me names or tease me. You can't say something that will annoy me unless it's to show Mum and Dad that we still hate each other. You can't go wonky on the swings unless you have my permission or we are showing off to Mum and Dad. You can't compete with me unless it's a proper race. You can't compare you to me because I'm three years younger than you and you've done more than I have. You can't tell me about all the trips you've been on. You can't help me if I didn't tell you to but if Mum or Dad did you can. If I don't want to do something you can't keep bothering me.

If

your on the trampoline you need to let me on. You can't kick me off the trampoline. If im using somthing you can't take it away from me or tell Mum and Dad that its your turn and make them take it away from me. You can't come up to me me and massage my head and call me "Baby girl". Don't tell me if I was like this I could be better than I am right now. If I do somthing that you dont like you can tell me but dont make a big deel about it and dont tell Mum and Dad. Dont call me darling or anny word like your my Dad. Dont act like your in charge of me. Dont eat or lick or dribble on my stuff. Dont rip or touch my stuff. You can't follow me around every were. Dont sing randomley at me. Dont do annoying voices or sounds.
